

YGA Community Service: Cards for Our Military

Community service is an important part of the Youth Get-Away experience. During YGA, participants will take part in a hands-on service project by creating handmade cards for military soldiers. Youth will have the opportunity to share messages of gratitude, encouragement, and support while reflecting on the importance of giving back to others. This activity will help youth build empathy, leadership, and a sense of civic responsibility, while making a meaningful connection beyond the YGA experience.
