### I'm Proud to say 4-H Grows...Leadership in me!

As part of the Green Clovers Club, I have had the opportunity to serve as vice president and chair of the service committee. I was responsible for organizing the committee meetings and making sure that everyone received their service assignment. This year the club provided over 300 Thanksgiving meals to families in need. This experience taught me that leadership can be a humbling experience.

### My proudest 4-H memory is...

This past year, one of the novice member's heifer got loose in the show ring and she was so upset. I went out in the ring and helped her catch her heifer and then asked if I could stand behind her to provide help, if needed. After the show, she gave me a big hug and told me how glad she was that I was there to help.
