

SOUTHWEST DISTRICT RULES RANGE PLANT ID

The Range Plant Identification Contest is made up of plant specimens to be identified by common name. Specimens may be dried, pressed mounts, or fresh. Whole or partial plants will be used as necessary. **Participants must also label parts of a plant.**

The official plant specimens **list will consist of 116 plants listed on the back of scorecard. If a scantron is used DO NOT use the list located on the top.** The Southwest District Contest will try to **focus** on plants commonly found throughout the district **for the contest.**

Novice Contest Requirements:

1. Identify 20 plant specimens
2. Label parts of a plant

Juniors Contest Requirements:

1. Identify 20 specimens plus plant characteristics
2. Label parts of a plant

3. Contestants will NOT be allowed to talk to each other during the contest. If a contestant does have a question, he/she may raise a hand and ask the superintendent.

4. The ties will be broken consecutively comparing answers to the odd numbered questions on plant identification (1, 3, 5, etc...). If there is still a tie, it will be followed by consecutively comparing answers to the even numbered questions (2, 3, 6, etc...). The tie will be broken at the first identification question where one member has the correct answer and the other incorrect answer.

5. Contestants will have 1 minute to identify each plant and correctly mark their card.
