

NEW MEXICO 4-H RODEO
PO BOX 911
Edgewood, NM 87017

May 1, 2022

Dear 4-H Rodeo Supporter,

On behalf of the New Mexico 4-H Rodeo Board Committee, I would like to start by thanking you for your previous support to the youth who participate in 4-H rodeo. During 2021, our sponsors were able to help us to be able to put on a rodeo even when things were still uncertain as we came out of the COVID 19 pandemic. Your support helped us give these kids some normalcy after being isolated for so long. This year we have already had 2 rodeo events with 4 more happening later this summer. We are looking forward to a wonderfully full year of 4-H Rodeo events.

Our purpose is to promote the educational, cultural, social and life skills development of youth members through 4-H rodeo. The 4-H Rodeo Program assists youth in establishing life goals and is committed to helping young people develop life skills to be successful contributing members of society. Just as important, we provide a fun and safe environment where young people meet others with similar values and interests to build lifelong friendships.

In order to maintain a quality program, it requires the caring support of many volunteers and financial donors. We are asking that you take the time to review our sponsorship packet and consider making a donation for our youth. Any level of support is greatly appreciated and all contributions will go directly to support the participants at the State 4-H Finals Rodeo. New Mexico 4-H is a 501(c)3 non-profit organization.

Regardless of your ability to support our youth financially, we want to encourage you to attend a 4-H Rodeo and cheer for our cowboys and cowgirls.

Sincerely,

George Lopez
President
New Mexico 4-H Rodeo Board
